You are invited to attend:

Fraternal Assistance - Workshop

by Sonia Doi

SATURDAY, Feb 20, 2016 from 4:00 PM - 5:30 PM at SSB Headquarters.

Following our work from the 1st Spiritist Symposium of MD, this is an initiative to keep the collaboration among our Spiritist Centers alive. In this effort, we will get together again for a short training on the Fraternal Assistance to better assist our community.

Based on the book "Atendimento Franterno" by the spirit Manoel Philomeno de Miranda/Divaldo Franco, Soninha will share some important topics on this subject, such as but not limited to:

- What it IS and what it is NOT
- How it works
- What To Do and NOT to do
- The Assistant and the Assisted
- The role of the Spiritist Center
- Environment, Case Study, etc.

Soninha has also agreed to talk about "Shadows from the Past in the Present Life" from 6pm-7:30pm. You are welcome to attend this talk as well. Light Refreshments will be provided (5:35pm).

We will start at 4pm sharp, so we kindly ask that you arrive at least 15 mins early (3:45pm).

Parking: Free park is available.

We hope you can make it!

Cheers,
